## **THE CREST FAMILY PRACTICE**

### **EMIS ACCESS**

You can now book a Doctor's appointment and request prescriptions 24 hours a day. You can also see all your medication and any allergies you may have.

You will automatically be registered for Emis Access once your identity has been confirmed and you are 16 years or over. You must sign up for emis access when you will be given a registration form which will contain all the information you need to register.

The website to register, book appointments and request prescriptions is [www.patient.emisaccess.co.uk](http://www.patient.emisaccess.co.uk) or you can access from our website [www.crestfamilypractice.co.uk](http://www.crestfamilypractice.co.uk)

If you would like help on how to register, please speak to Reception

---

There are currently NHS initiatives regarding the way in which it is proposed that information in your medical record is held and shared with other clinicians such as Hospitals, out of hours doctors. You can opt out of this if you wish.

### **Summary Care Record/Connecting Care Record**

These are local and National systems that will take only medication and allergies information from your record, so that information is available to clinicians if you are taken ill locally or anywhere else in the country.

If you wish to opt out please let reception know.
